

Project Presentation

7 min + 3 min, 1 person

Wed. next week 30-01 pdf, beamer

⇒ speak ⇒ ?
⇒ slides ⇒ ?

⇒ contents → ① Motivation + problem statement

rehearsals,
done by
next Tuesday
29.01

based on feedback

difficult, need to think

→ TTR, facts based is easy

Program

① find annotated data
② do annotation manually

+ regression?

② Approach, plan, evaluation

③ Previous work

preliminary results

Sporleder 2014

compare → rap, rock

① crawler for balanced data
② Frequency topics

④

- keep complex to single games
- text night
- can/not see

④ Answer give from PPs

① vague approach
② fine series + signif.
③ learning goals

political sentiment how?

① simple then complex
② + - series - data dependent → Slide
③ A in group → A in sub-group
⇒ anecdotal proof
